SHOWS

how do you feel after reading this media..?

I AM SURPRISED THAT PEOPLE FAILED TO SEE SUCH AN ALARMING CLAUSE IN THE **EXPERIMENTAL TERMS OF SERVICE. IF THIS** WAS A REAL CLAUSE, A LOT OF PEOPLE WOULD HAVE JUST PROMISED AWAY A LOT. I WONDER HOW MANY TIMES THESE AGREEMENTS ARE MADE IN REAL LIFE BECAUSE OF SOMETHING AS SIMPLE AS JUST SCROLLING THROUGH YOUR **AUTHORIZATION PROMISES TO AN** ORGANIZATION. AFTER READING THE TRANSCRIPT, I AM ENCOURAGED TO BE MORE AWARE OF TERMS AND SERVICES, AND FROM NOW ON I WILL NOT JUST SKIP THROUGH THEM TO ENSURE MY PRIVACY IS PROTECTED AND MY RIGHTS ARE RESPECTED.

"So people are signing these agreements without reading them because they say I have nothing to hide, but, as Obar says, maybe your grocery store is selling information about your food purchases to your insurance company, which then uses it to make judgments about your health risk."

DOES THIS MAKE YOU FEEL DIFFERENTLY ABOUT WHAT COMPANIES OR OTHER ORGANIZATIONS MIGHT KNOW ABOUT YOU? WHY OR WHY NOT?

THE INFORMATION YOU SHARE MIGHT NOT BE DANGEROUS IF REVEALED TO THE PUBLIC, BUT IT CAN BE USED AND TWISTED IN VARIOUS WAYS THAT CAN THEN POSE A THREAT TO YOUR SECURITY OR CAUSE INCONVENIENCE IN YOUR DAY TO DAY LIFE. I WAS NOT AWARE THAT HARMLESS INFORMATION COULD BE WARPED IN SUCH WAY, LIKE YOUR **GROCERY DATA POTENTIALLY RUINING** THE COST OF YOUR HEALTH INSURANCE. I AM MOTIVATED TO BE MORE MINDFUL OF MY DATA, AND I AM CONCERNED AS TO WHAT HAS ALREADY BEEN LEAKED. I DON'T KNOW WHICH ORGANIZATIONS HAVE ACCESS TO INFORMATION ABOUT ME JUST BECAUSE I AGREED TO SOME RANDOM TERMS AND SERVICES. WHICH IS INCREDIBLY SCARY AND DYSTOPIAN.

thamk you;)
